Your cooperation with this program is essential for its success!

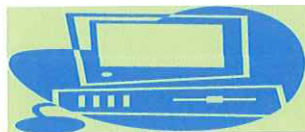

City of Aurora
Department of Public Services

Please keep the storm drain and culvert pipe inlets on your property clean to help prevent possible flooding.

Only stormwater should enter drains to protect our environment.

REMEMBER... to check our website throughout the year for updated information on our services: www.auroraoh.com

The City of Aurora conducts ongoing routine cleaning and monitoring of the sanitary and storm sewer systems to ensure efficient service.

Manholes are essential for service personnel to gain the necessary access to the city's underground infrastructure. For your own benefit, please keep all manholes free and clear of obstruction.
